

## 2002 SEA SMOKE 'BOTELLA' PINOT NOIR

**WINEMAKING:** Grapes were hand-sorted and gently de-stemmed with no crushing; 'jack stems' were removed by hand. The must was cold-soaked in open-top fermenters for two to four days (depending upon the lot), then inoculated with a cultured yeast to begin a slow fermentation. Each tank was manually punched down two to three times per day over a period of 16 days. Upon completion of primary fermentation, and the desired number of maceration days, all free-run wine was transferred to tank for settling. Pressing was done at extremely low pressure (0.08 bars) to avoid extracting bitterness from the seeds. After settling overnight, both the free-run and the press wines were racked cleanly to separate barrel lots. The final blend includes favored lots with high extraction and intensity of flavor. The wine will be aged for 18 months in 70 percent new French Oak barrels and will be bottled without filtration.

**CHARACTER:** Accessible aromas of cherry, coffee and cola are punctuated by nuances of maple syrup. Suggestions of mushrooms and forest floor complete this wine's ample nose. The 2002 Botella's aromas follow through in the mouth, being accentuated by bright cherry fruit on the front of the palate. A rich middle with ripe complex tannins leads to balanced acidity on the finish.
